Client Satisfaction Survey

Your feedback and opinions are very important to me. Out of a commitment to provide quality care to my clients, I ask that you complete this short survey to help me know how I'm doing. Your responses are confidential – you do not need to include your name or any identifying information about yourself if you do not wish. Please answer each question honestly and elaborate upon any issue about which you may have strong positive or negative feelings. Thank you very much for your help and feedback!

Sincerely, Leah Fogt, MSW, LISW-S, CTP
